### **INTERNATIONAL FLEET SOLUTIONS EARNS BETTER BUSINESS BUREAU ACCREDITATION**

*Company earns recognition for best practices in customer treatment for more than 12 years*

**Chicago, IL – January 12, 2022** – International Fleet Solutions, Inc., a leading hail repair company in the nation, today announces it has been recognized by the Better Business Bureau for more than 12 years for its exceptional customer service.

Being an Accredited Business for 12+ years with the Better Business Bureau is an honor not accorded to all businesses because not all businesses meet eligibility standards.

“Accreditation in the BBB is by invitation only” states Steve J. Bernas, president and CEO of the Better Business Bureau serving Chicago and Northern Illinois. “And only those businesses that meet our high standards and pass the review process are approved by our Board of Directors.”

As with all businesses that are Accredited by the BBB, International Fleet Solutions has committed to the BBB Code of Business Practices. The Code is a comprehensive set of policies, procedures and best practices on how businesses treat consumers. These standards call for building trust, embodying integrity, advertising honestly and being truthful. Bernas adds, “To maintain their Accreditation a business must be transparent, honor their promises, be responsive to their customers, and safeguard their privacy.”

“We are proud to be a BBB Accredited Business,” states Ronald Martin, president of International Fleet Solutions. “In today’s world it is imperative that our customers know how seriously we take our commitment to quality, excellence and good customer service. Achieving continued BBB Accreditations exemplifies that goal. Our desire is to stay focused on what we do best; provide outstanding technical service and unsurpassed customer satisfaction.”
